Lessors, lessees, businesses relocating to Illinois and military persons whose home of record is Illinois are not entitled to this exemption, although depreciation is allowed. If you recently purchased and have not titled or registered the vehicle you are bringing into this state, a properly completed tax form, RUT-25 or RUT-50 and any applicable tax (payable to the Illinois Department of Revenue) must accompany your application to the Secretary of State's office. See tax forms for further explanation, and contact the Department of Revenue for more information at 800-732-8866 (Illinois residents) or 217-782-3336.

For vehicles that will not be operated on public roads, a vehicle title application (VSD-330) only is required, along with the proper fee. Titles showing a lien are mailed to the lienholder while others must be mailed directly to the owner at the residence on the title.
